**Dear Friend,**

We are very excited to be sponsoring the New York State Assembly's Legislative Disabilities Awareness Day (LDAD), which will be held in Albany on **Wednesday, May 29, 2019**. Exhibitors will commence set-up at 8:00 a.m. and the Opening Ceremony will begin at 10:00 a.m.

Disabilities Awareness Day allows us to inform members of the Assembly and their staffs about important issues while striving to highlight the accomplishments of advocates and persons with disabilities. We also make a tremendous effort to inform attendees about the latest services, programs and technology available.

LDAD consists of many exciting events, to which we welcome New York's disability community and advocates, members of the Assembly and honored guests. We will be hosting an exhibitor fair and two seminars on issues of interest to people with disabilities throughout the day. Also, a package of legislation that takes into consideration the concerns of the disability community will be introduced on the floor of the Assembly. We hope that you will join us.

Please remember to bring a valid photo ID and leave yourself enough time to navigate the building security. If you have any questions, please call the Task Force office at 518-455-4592. We hope to see you on May 29th.

Sincerely,
